

Approved Nature Conservation Management Agreement Project

Project Proponent	The Hong Kong Bird Watching Society (HKBWS)
Project Title	Hong Kong Got Fishpond - Eco-fishpond Management Agreement Scheme 2013-2015
Site Involved	Deep Bay Wetland outside Ramsar Site
Description	The project emphasizes on increasing awareness on the aquaculture and bird conservation issues in the Deep Bay area through an array of public education programmes and special events. The conservation value of commercial fishponds in the Northwest New Territories would also be restored and enhanced through the continuation of the partnership programme between HKBWS and local fishermen.
Duration	1 March 2013 to 28 February 2015
Approved Amount	\$ 6,665,052.00
