

Approved Nature Conservation Management Agreement Project

Project Proponent	The Hong Kong Bird Watching Society (HKBWS)
Project Title	Hong Kong Got Fishpond – Eco-fishpond Management Agreement Scheme 2015 - 2017
Site involved	Deep Bay Wetland Outside Ramsar Site
Description	This project emphasizes on increasing awareness on the aquaculture and bird conservation issues in the Deep Bay area through an array of public education programmes and special activities. The conservation value of commercial fishponds in the Northwest New Territories would also be restored and enhanced through the continuation of the partnership programme between HKBWS and local fishermen.
Duration	1 March 2015 – 28 February 2017
Approved Amount	HK\$6,606,968
